	Does the proposal include a project implementation plan with a	
3.4	time schedule. If yes, please share it as an annexure to the proposal.	Yes/No
3.5	If no, please share the tentative date by when this will be submitted	
4	PROJECT OUTCOMES	
4.1	Describe the economic benefits proposed through the implementation of this project  Not more than 100 words	
4.2	Is the project scalable through your department on successful implementation of the pilot?	Yes/No
4.3	If yes, indicate the department's plans	
4.4	Does the project include continued financial sustainability plans after the TANII funding period?	Yes/No
4.5	If yes, indicate the departments plans	
5	FINANCIAL	

5.1	Please mention the total project budget requirement in rupees.	
5.2	Please indicate the project duration	
5.2	(Minimum of 1 year and Maximum of 3 yrs allowed)	
5.3	Other sources of funding if available	
5.4	Cost of the machinery included in the project	
5.5	Percentage of the Machinery cost to the project cost	
5.6	Cost of the Computers and Accessories included in the project	
5.7	Percentage of the Computers and Accessories included in the	
	project	
5.8	Is the purchase of new machinery indispensable for	Yes/No
	implementation of the project?	. 55, 5
5.9	Cost of experts / consultants included in the project cost	
5.1	Percentage of the Cost of experts / consultants to the project cost	
5.1	Is the budgetary support requested under the proposed innovation	
1	within the prescribed ceiling of Rs.10 crores and proposed annual	Yes/No
	expenditure within the limit of Rs.5 crores?	
	Does the proposal include break up of budgets as Capital	
5.1	Expenditure and Revenue Expenditure?	Yes/No
2	Please note that all TANII projects are required to submit this break up as	163/140
	the funds will be sanction through separate head of accounts.	
5.1	If no, please share the tentative date by when this will be	
3	submitted	
6	Others	
		Yes / No
6.1	Does the project require Statutory clearances	(if 'Yes', the details should be
		furnished)
		Yes / No
6.2	Statutory clearances obtained	(if 'No', the reasons to be
6.2	Assessment on weathly visite and shallowers	furnished)
6.3	Assessment on possible risks and challenges	Yes / No
6.4	Does the project have linkages with similar projects?	Yes / No
6.5	Further steps need to complete project preparation	
	Resources required to complete the project preparation process	
6.6	(Please detail: need to engage consultants including transaction	
	advisors)	
6.7	Role on responsibilities of involved parties
